## PROJECT CATEGORIES:

There are six categories for project nominations for the Brownie Awards. The nomination fee is \$150 per project per category. You are welcome to submit the same project to multiple categories for consideration.

### **CATEGORY 1: REPROGRAM** **Legislation, Policy & Program Initiatives**

Projects or programs that: remove barriers and/or facilitate brownfield redevelopment, reinvestment and regeneration; provide models of excellence that can be applied or replicated by provincial, regional or municipal governments; stimulate new investment or facilitate collaborative partnerships to implement vision for intensification and improved return on investment for public funds.

### **CATEGORY 4: REBUILD** **Project Development: Building Scale**

Projects or programs that: demonstrate excellence in site specific responses to public policy initiatives that accelerate the pace of regeneration resulting from development, promote an enhanced public realm; successfully leverage opportunities for collaboration and policy integration across different sectors; combine imaginative adaptive reuse of heritage structures that promote health and well-being.

### **CATEGORY 2: REMEDIATE** **Sustainable Remediation & Technological Innovation**

Projects or programs that: demonstrate leadership and innovation in environmental soil remediation; promote economic in-situ solutions that avoid broader environmental impacts, incorporate ecological principles through pilots designed to go mainstream; encourage use of innovative, cost-effective technologies that shift perceptions in the marketplace.

### **CATEGORY 5: RENEW** **Project Development: Neighbourhood Scale**

Projects or programs that: stimulate neighbourhood-scale reinvestment; use adaptive reuse of heritage and other structures to encourage integrated multi-phased redevelopment; demonstrate high levels of collaboration; inspire many land owners and investors to engage with community support of a shared vision; promote comprehensive neighbourhood transformation by re-envisioning the public realm, and improving functionality, liveability and character.

### **CATEGORY 3: REINVEST** **Financing, Risk Management & Partnerships**

Projects or programs that: rely on innovative approaches to obtain capital financing for the purposes of economic and ecological regeneration (i.e. use of public/private partnerships), public incentives to leverage investment; facilitate innovative solutions to mitigating process risk.

### **CATEGORY 6: REACH OUT** **Communications, Marketing & Public Engagement**

Projects or programs that: successfully package municipal reinvestment plans and programs for regeneration and/or brownfields redevelopment in support of a community's competitiveness and long-term sustainability; demonstrate innovative approaches to build support for public/private investment and development designed to achieve intensification through redevelopment, regeneration and other reinvestment strategies; introduce a brand that enhances acceptance and understanding of brownfield redevelopment, regeneration and reinvestment.
