Category for which project/program is nominated:

There are six categories for project nominations for the Brownie Awards. You are welcome to submit the same project to multiple categories for consideration. Please submit separate forms for each category for which you are nominating.

- CATEGORY 1: REPROGRAM**
Legislation, Policy & Program Incentives
Projects or programs that: remove barriers and/or facilitate brownfield redevelopment, reinvestment and regeneration; provide models of excellence that can be applied or replicated by provincial, regional or municipal governments; stimulate new investment or facilitate collaborative partnerships to implement vision for intensification and improved return on investment for public funds.

- CATEGORY 2: REMEDIATE**
Sustainable Remediation & Technological Innovation
Projects or programs that: demonstrate leadership and innovation in environmental soil remediation; promote economic in-situ solutions that avoid broader environmental impacts, incorporate ecological principles through pilots designed to go mainstream; encourage use of innovative, cost-effective technologies that shift perceptions in the marketplace.

- CATEGORY 3: REINVEST**
Financing, Risk Management & Partnerships
Projects or programs that: rely on innovative approaches to obtain capital financing for the purposes of economic and ecological regeneration (i.e. use of public/private partnerships), public incentives to leverage investment; facilitate innovative solutions to mitigating process risk.

- CATEGORY 4: REBUILD**
Project Development: Building Scale
Projects or programs that: demonstrate excellence in site specific responses to public policy initiatives that accelerate the pace of regeneration resulting from development, promote an enhanced public realm; successfully leverage opportunities for collaboration and policy integration across different sectors; combine imaginative adaptive reuse of heritage structures that promote health and well-being.

- CATEGORY 5: RENEW**
Project Development: Neighbourhood Scale
Projects or programs that: stimulate neighbourhood- scale reinvestment; use adaptive reuse of heritage and other structures to encourage integrated multi- phased redevelopment; demonstrate high levels of collaboration; inspire many land owners and investors to engage with community support of a shared vision; promote comprehensive neighbourhood transformation by re-envisioning the public realm, and improving functionality, liveability and character.

- CATEGORY 6: REACH OUT**
Communications, Marketing & Public Engagement
Projects or programs that: successfully package municipal reinvestment plans and programs for regeneration and/or brownfields redevelopment in support of a community's competitiveness and long- term sustainability; demonstrate innovative approaches to build support for public/private investment and development designed to achieve intensification through redevelopment, regeneration and other reinvestment strategies; introduce a brand that enhances acceptance and understanding of brownfield redevelopment, regeneration and reinvestment.

Project/program relevance to brownfields and/or regeneration:

Please explain in five (5) concise bullet points how the project or program is linked to brownfields and/or regeneration.

History:

In 300 words or less, please provide an outline of the major events/timeline of the program or project.

Category Criteria:

Please explain briefly how this project/program fits the chosen category criteria.

Credits and Sources:

Please list any partners or team members included in this project/program.

SUPPLEMENTARY MATERIAL:

When submitting your completed nomination form, please provide supplementary materials to help illustrate the project/program. These can be images, illustrations, brochures, site plans, information guides, etc. For all images, please include a description and credit your source. Images can be in JPG, GIF, PNG or PDF format.

Why are these images important? If your project is selected as a finalist, these images will be used for the visual presentation during the awards ceremony. If you do not submit images, only a text slide will be shown on screen while your project/program is presented.
